REALIZZAZIONE DI FILMATI SCIENTIFICI

Oltre 20 filmati di chirurgia; due sono stati selezionati ed inclusi nella videoteca dell'American College of Surgeons (ACS Video Library) e nel CD-rom delle Sessioni Video del "90th Annual Clinical Congress of the American College of Surgeons" [October, 2004, New Orleans, USA]:

1. Total gastrectomy extended to the head of the pancreas and liver with D4-lymphadenectomy for well differentiated gastric carcinoma. Selezionato per la presentazione durante la "General

Surgery I Video Session of the Video-based Education Program" al Clinical Congress of the American College of Surgeons (ACS) [ACS-2258]

2. Pylorus-preserving pancreaticoduodenectomy with fibrin glue occlusion of the main pancreatic duct. Selezionato per la presentazione durante la "General Surgery II Video Session of the Video-based Education Program" al Clinical Congress of the American College of Surgeons (ACS) [ACS-2264]

Gli altri filmati scientifici sono di seguito riportati:

1. Laparoscopic treatment of solitary non parasitic liver cyst. Videoforum 12.mo Congresso di Chirurgia dell'Apparato Digerente, Roma 2001
2. D3 total gastrectomy in the treatment of gastric cancer. Videofestival, Session Gastric-Colorectal Surgery, 11th World Congress of the International Association of Surgeons and Gastroenterologists, Heraklion (Grecia) 2001
3. Gastrectomia totale con linfadenectomia D3 nel trattamento del cancro dello stomaco. Videoforum 103° Congresso della Società Italiana di Chirurgia, Bologna 2001
4. Trattamento laparoscopico di cisti epatica solitaria permagna non parassitaria. Videoforum 103° Congresso della Società Italiana di Chirurgia, Bologna 2001
5. Proctocolectomia restaurativa con pouch ileale a J piccola. Videoforum 103° Congresso della Società Italiana di Chirurgia, Bologna 2001
6. Presentazione clinica e trattamento chirurgico di un caso di gastrointestinal stromal tumor. Videoforum 104° Congresso della Società Italiana di Chirurgia, Roma 2002
7. Presentazione clinica e trattamento chirurgico di un caso di ernia diaframmatica post-traumatica. Videoforum 104° Congresso della Società Italiana di Chirurgia, Roma 2002
8. Laparoscopic Nissen fundoplication in the treatment of severe gastroesophageal reflux disease. Videoforum, Laparoscopic Antireflux Procedures for GERD, 12th World Congress of the International Association of Surgeons and Gastroenterologists, Istanbul (Turchia) 2002
9. D3-4 lymphadenectomy in the treatment of gastric cancer. Videofestival, Session I, 12th World Congress of the International Association of Surgeons and Gastroenterologists, Istanbul (Turchia) 2002
10. Restorative proctocolectomy with small ileal J-pouch. Videofestival, Session I, 12th World Congress of the International Association of Surgeons and Gastroenterologists, Istanbul (Turchia) 2002
11. Funduplicatio secondo Nissen laparoscopica nella malattia da reflusso gastroesofageo severa. Videoforum 105° Congresso della Società Italiana di Chirurgia, Napoli 2003

12. Proctocolectomia restaurativa con confezionamento di small ileal J-pouch per il trattamento della rettocolite ulcerosa grave. Videoforum 105° Congresso della Società Italiana di Chirurgia, Napoli 2003
13. Trattamento laparoscopico di cisti epatica permagna. Videoforum 105° Congresso della Società Italiana di Chirurgia, Napoli 2003
14. Duodenocefalo-pancreasectomia con conservazione del piloro e chiusura del dotto pancreatico principale con colla di fibrina. Videoforum 105° Congresso della Società Italiana di Chirurgia, Napoli 2003
15. Laparoscopic Nissen fundoplication for severe gastroesophageal reflux disease. Videoforum 13th International Congress and Endo Expo SLS Annual Meeting, New York (USA) 2004
16. Linfadenectomia estesa (D4) nel trattamento del cancro dello stomaco: aspetti tecnici. Videoforum 106° Congresso della Società Italiana di Chirurgia, Roma 2004
17. Resezione del retto basso laparoscopica con TME: aspetti particolari e complicanze. Videoforum 106° Congresso della Società Italiana di Chirurgia, Roma 2004
18. Restorative proctocolectomy with a small J-pouch for severe ulcerative colitis. Videoforum 16.mo Congresso di Chirurgia dell'Apparato Digerente, Roma 2005
19. Laparoscopic low rectal resection with total mesorectal excision and repair of an accidental urethral lesion. Videoforum 14th International Congress and Endo Expo SLS Annual Meeting, San Diego (USA) 2005
20. Super-extended lymphadenectomy in the treatment of gastric cancer. General Surgery I Video Session, 91th Annual Clinical Congress of the American College of Surgeons, San Francisco (USA) 2005
21. Multiorganic resection for gastrointestinal stromal tumor. General Surgery Video Session, 92th Annual Clinical Congress of the American College of Surgeons, Chicago (USA) 2006

ATTIVITÀ DI REVIEWER

BRITISH MEDICAL JOURNAL - 1999, 2001-2002, 2004

Il British Medical Journal, in sigla BMJ, è una rivista medica pubblicata con cadenza settimanale nel Regno Unito dalla British Medical Association. Fattore di impatto: 30.223 (2019)

LANCET - 1999, 2001-2002, 2005

The Lancet è una rivista scientifica inglese di ambito medico pubblicata settimanalmente dal Lancet Publishing Group, edita da Elsevier. È stata fondata nel 1823 da Thomas Wakley. Fattore di impatto: 60.392 (2019)

DIGESTIVE AND LIVER DISEASE - 2000-2001, 2006

Digestive and Liver Disease is an international journal of Gastroenterology and Hepatology. It is the official journal of Italian Association for the Study of the Liver (AISF); Italian Association for the Study of the Pancreas (AISP); Italian Association for Digestive Endoscopy (SIED); Italian Association for Hospital Gastroenterologists and Digestive Endoscopists (AIGO); Italian Society of Gastroenterology (SIGE); Italian Society of Pediatric Gastroenterology and Hepatology (SIGENP) and Italian Group for the Study of Inflammatory Bowel Disease (IG-IBD). Digestive and Liver Disease publishes papers on basic and clinical research in the field of gastroenterology and hepatology. Fattore di impatto: 3.570 (2019)

NEW ENGLAND JOURNAL OF MEDICINE - 2000-2001, 2003, 2006

The New England Journal of Medicine (NEJM) is recognized as the world's leading medical journal and website. Published continuously for over 200 years, NEJM delivers high-quality, peer-reviewed research and interactive clinical content to physicians, educators, researchers, and the global medical community. Rivista in lingua inglese edita dalla Massachusetts Medical Society che pubblica articoli selezionati per revisione paritaria. Fattore di impatto: 70.670 (2018)

BRITISH JOURNAL OF SURGERY - 2000, 2003-2005, 2011

With an impact factor of 5.572, BJS is the premier surgical journal in Europe and one of the top six surgical periodicals in the world. Its international readership is reflected in the prestigious international Editorial Board, supported by a panel of over 1200 reviewers worldwide. BJS features the very best in clinical and laboratory-based research on all aspects of general surgery and related topics. Developing areas such as minimally invasive therapy and interventional radiology are strongly represented. BJS will be of interest not only to general surgeons, but also to specialty surgeons and those working in related fields.

GASTROENTEROLOGY - 2000-2001, 2003, 2005, 2009-2010

Gastroenterology is the most prominent journal in the field of gastrointestinal disease. As the official journal of the AGA Institute, Gastroenterology delivers up-to-date and authoritative coverage of both basic and clinical gastroenterology. Regular features include articles by leading authorities and reports on the latest treatments for diseases. Original research is organized by clinical and basic-translational content, as well as by alimentary tract, liver, pancreas, and biliary content. Fattore di impatto: 17.373 (2019)

JOURNAL OF PEDIATRIC GASTROENTEROLOGY AND NUTRITION - 2002-2003

Il Journal of Pediatric Gastroenterology and Nutrition è una rivista medica mensile peer-reviewed che copre la ricerca sulle malattie digestive e la nutrizione nei bambini. È pubblicato da Lippincott Williams & Wilkins ed è stato fondato nel 1982. Fattore di impatto: 2.799 (2016)

INDIAN JOURNAL OF SURGERY - 2004-2007, 2012-2015

The Indian Journal of Surgery offers peer-reviewed coverage of all types of surgery. The Journal publishes Original articles, Points of technique, Review articles, Case reports, Letters, Images and brief biographies of influential teachers and surgeons. The Journal spans General Surgery, Pediatric Surgery, Neurosurgery, Plastic Surgery, Cardiothoracic Surgery, Vascular Surgery, Rural Surgery, Orthopedic Surgery, Urology, Surgical Oncology, Radiology, Anaesthesia, Trauma Services, Minimal Access Surgery, Endocrine Surgery, GI Surgery, ENT, Colorectal Surgery, surgical practice and research. The Journal provides a forum for surgeons from India and abroad to exchange ideas, to propagate the advancement of science and the art of surgery and to promote friendship among surgeons in India and abroad. This has been a trusted platform for surgeons in communicating up-to-date scientific information to the community. This is the official publication of the Association of Surgeons of India. Fattore di impatto: 0.561 (2019)

BIOMEDCENTRAL (BMC) GASTROENTEROLOGY - DAL 2005

Editorial Advisor. BMC Gastroenterology is an open access, peer-reviewed journal that considers articles on all aspects of the prevention, diagnosis and management of gastrointestinal and hepatobiliary disorders, as well as related molecular genetics, pathophysiology, and epidemiology.

BIOMEDCENTRAL (BMC) CANCER - 2005-2007

BMC Cancer è una rivista medica ad accesso aperto sottoposta a revisione paritaria che pubblica ricerche originali su cancro e oncologia. È pubblicato da BioMed Central. Fattore di impatto: 3.288 (2016)

INTERNATIONAL JOURNAL OF SURGERY - DAL 2005

The International Journal of Surgery (IJS) is dedicated to the global advancement of surgical research, education and clinical practice. It aims to promote continued developments in surgery through the sharing of knowledge, ideas and good practice across all surgical specialties. The IJS provides readers with critically peer-reviewed, carefully selected/edited and up to date publications about advances in the field of surgery that are relevant to them. The journal aims to develop and uphold the highest standards at the cutting-edge of research, provide a focus for evidence-based medicine through the publication of timely review articles and special issues and give the findings context, through the publication of editorials, commentaries and letters from the surgical community. Fattore di impatto: 3.357 (2019)

BIOMEDCENTRAL (BMC) UROLOGY - 2006-2007

BMC Urology is an open access journal publishing original peer-reviewed research articles in all aspects of the prevention, diagnosis and management of urological disorders, as well as related molecular genetics, pathophysiology, and epidemiology. Fattore di impatto: 1.592 (2018)

JOURNAL OF MEDICAL CASE REPORT - DAL 2006

Journal of Medical Case Reports è una rivista specializzata in pubblicazioni di casi clinici e ricerche su casi clinici. Fondato nel 2007, pubblicato da BioMed Central, la rivista è indicizzata in Scopus.

CLINICAL GASTROENTEROLOGY AND HEPATOLOGY - 2003-2005, 2009-2010

Clinical Gastroenterology and Hepatology è una rivista medica mensile peer-review pubblicata da Elsevier per conto dell'American Gastroenterological Association. Secondo il Journal Citation Reports, la rivista ha un fattore di impatto 2014 di 7.896.

DISEASES OF THE COLON & RECTUM - 2005-2007, 2010

Diseases of the Colon & Rectum is the world's leading publication in colorectal surgery, ranking in the top 10% of all peer-reviewed surgery journals. For physicians involved in colorectal patient care as well as for authors who wish to publish in the premier journal in this field of specialization, DC&R is the recognized authority on conditions affecting the colon, rectum, and anus. Diseases of the Colon & Rectum is the official journal of the American Society of Colon & Rectal Surgeons and affiliated with other international organizations. Fattore di impatto: 3.991 (2018)

INTERNATIONAL JOURNAL OF SURGERY CASE REPORT - DAL 2012

International Journal of Surgery Case Reports is the companion journal to International Journal of Surgery. International Journal of Surgery Case Reports is an open access, broad scope journal covering all surgical specialities. It is dedicated to publishing case reports and case series. Articles must be authentic, ethical, educational and clinically interesting to an international audience of surgeons, trainees and researchers in all surgical subspecialties, as well as clinicians in related fields. The journal is published monthly and focuses on rapid submission to decision times. All articles are peer reviewed. The final authoritative version of each case report is also sent to PubMed Central.

WORLD JOURNAL OF GASTROENTEROLOGY - 2007-2012, 2014-2016, 2020

Il World Journal of Gastroenterology è una rivista medica settimanale ad accesso aperto peer-reviewed che copre la ricerca in gastroenterologia. È stato istituito nel 1995 ed è pubblicato dal Baishideng Publishing Group, che è stato incluso nell'elenco di editori predatori di Beall. Fattore di impatto: 3.365 (2016)

TECHNIQUES IN COLOPROCTOLOGY - 2008, 2011-2013, 2015, 2020

Techniques in Coloproctology is an international journal devoted to epidemiologic, pathologic, diagnostic and therapeutic studies relevant to the management of colorectal and pelvic floor diseases. The journal also encourages submission of articles on colorectal motility disorders (including rehabilitative and pathophysiologic aspects). Fattore di impatto: 2.721 (2019)

WORLD J OF GASTROINT PHARMACOLOGY AND THERAPEUTICS - 2009-2010

World Journal of Gastrointestinal Pharmacology and Therapeutics (WJGPT, World J Gastrointest Pharmacol Ther) is a high-quality, online, open-access, single-blind peer-reviewed journal published by the Baishideng Publishing Group. WJGPT accepts both solicited and unsolicited manuscripts. Articles published in WJGPT are high-quality, basic and clinical, influential research articles by established academic authors as well as new researchers. The paramount objective of WJGPT is to showcase and promote distinguished research in the field of gastrointestinal pharmacology and therapeutics, to help advance development of this field. The types of articles published in WJGPT include Editorial, Opinion Review, Frontier, Review, Minireview, Basic Study, Clinical Research, Systematic Review, Meta-analysis, Evidence-based Medicine, Field of Vision, Clinical Guidelines, Letter to the Editor, and Case Report.

JAMA - 2010

Il Journal of American Medical Association è una rivista medica peer-review pubblicata 48 volte l'anno dall'American Medical Association. Pubblica ricerche originali, recensioni ed editoriali che coprono tutti gli aspetti della biomedicina. Fattore di impatto: 45.540 (2019)

JOP - JOURNAL OF PANCREAS - 2010-2011

Rivista online specializzata nella pubblicazione di lavori scientifici su argomenti di malattie del pancreas.

EUROPEAN JOURNAL OF GASTROENTEROLOGY & HEPATOLOGY - 2011-2013, 2021

L'European Journal of Gastroenterology & Hepatology è una rivista medica peer review che copre i campi della gastroenterologia e dell'epatologia. È stato fondato nel 1989 ed è pubblicato da Lippincott Williams & Wilkins. Fattore di impatto: 2.198 (2019)

COLORECTAL DISEASE - 2011, 2013-2014

Colorectal Disease publishes original research in any discipline relating to colorectal pathology. The journal features review articles, discussions of current controversies, and clinical, diagnostic and selected basic science research. Colorectal Disease is for surgeons, pathologists, oncologists, gastroenterologists and health professionals who care for patients with diseases of the lower GI tract. Fattore di impatto: 2.769 (2019)

WORLD JOURNAL OF SURGICAL ONCOLOGY - 2012-2014

World Journal of Surgical Oncology publishes articles related to surgical oncology and its allied subjects, such as epidemiology, cancer research, biomarkers, prevention, pathology, radiology, cancer treatment, clinical trials, multimodality treatment and molecular biology. Emphasis is placed on original research articles. The journal also publishes significant clinical case reports, as well as balanced and timely reviews on selected topics. Oncology is a multidisciplinary super-speciality of which surgical oncology forms an integral component, especially with solid tumors. Surgical oncologists around the world are involved in research extending from detecting the mechanisms underlying the causation of cancer, to its treatment and prevention. The role of a surgical oncologist extends across the whole continuum of care. With continued developments in diagnosis and treatment, the role of a surgical oncologist is ever-changing. Hence, World Journal of Surgical Oncology aims to keep readers abreast with latest developments that will ultimately influence the work of surgical oncologists. Fattore di impatto: 1.966 (2019)

EUROPEAN JOURNAL OF INTERNAL MEDICINE - 2012

L'European Journal of Internal Medicine è una rivista medica mensile peer review che è stata istituita nel 1989 ed è pubblicata da Elsevier. Fattore di impatto: 3.66 (2018)

MINERVA CHIRURGICA - 2013-14

Rivista di Chirurgia. Pubblicazione segnalata su: EMBASE, PubMed/MEDLINE, Science Citation Index Expanded (SciSearch), Scopus. Fattore di impatto: 0.765 (2019)

ANNALS OF SURGERY - 2013

Annals of Surgery, the world's most highly referenced surgery journal, provides the international medical community with information on significant contributions to the advancement of surgical science and practice. Surgeons look to Annals of Surgery first for innovations in practice and technique. Special editorial features include "Advances in Surgical Technique," which provides up-to-the-minute coverage of current clinical issues, and monthly review articles that cover the most current practice concerns. Fattore di impatto: 9.203 (2018)

RADIATION ONCOLOGY - 2014

Radiation Oncology encompasses all aspects of research that impacts on the treatment of cancer using radiation. It publishes findings in molecular and cellular radiation biology, radiation physics, radiation technology, and clinical oncology. Fattore di impatto: 2.817 (2018)

SAUDI MEDICAL JOURNAL - 2014

Il Saudi Medical Journal è una rivista medica mensile peer-reviewed. È un giornale ad accesso aperto, con contenuti rilasciati sotto una licenza di attribuzione-non commerciale di Creative Commons. Fattore di impatto: 0.588 (2014)

POSTGRADUATE MEDICINE - 2015

Postgraduate Medicine è una rivista medica bimestrale con revisione paritaria pubblicata da Informa Healthcare. Fu fondato nel 1916 con Charles William Mayo come primo caporedattore. Fattore di impatto: 2.078 (2017)

JOURNAL OF ANTIBIOTICS RESEARCH - 2015

Journal of Antibiotics Research (JAR) is a peer reviewed international journal for original analysis on Antibiotics. We accept all types of articles and transient reports describing analysis results on researches on antibiotics, use of antibiotics in various disease conditions.

TOXINS - 2016-2020

Toxins è una rivista scientifica mensile ad accesso aperto che tratta tossine e tossicologia. È pubblicato da MDPI. Fattore di impatto: 3.531 (2019)

INFECTION AND DRUG RESISTANCE - 2021

Rivista scientifica con Impact Factor pari a 2.984

JOURNAL OF PHARMACEUTICAL RESEARCH INTERNATIONAL - 2021

Certificate No: SDI/HQ/PR/Cert/68988/GIU. Journal of Pharmaceutical Research International (ISSN: 2456-9119) is dedicated to publish high quality papers in all areas of pharmaceutical Science. The journal also encourages the submission of useful reports of negative results. This is a quality controlled, OPEN peer reviewed, open access INTERNATIONAL journal. Impact Factor 0.7
